

Save Marian Bear Park

Oppose 3 New Lanes on the 52

Along the edge of Marian Bear Park

Plus massive new highway connectors to I-5 & I-805

These disastrous highway projects are in the Draft of the new “2021 Regional Plan”

The SANDAG BOD will vote in December on whether to approve the Regional Plan

These projects should be removed from the Regional Plan

Call and email these 3 Elected Officials on SANDAG’s BOD

Tell them: “The future of Marian Bear Park depends on you.”

“When you vote on the Regional Plan, be sure it contains No planned additional lanes & No planned new highway connectors on the 52 between I-5 & I-805.”
